Art Unit 2625

PD020089
Customer No. 24498

REMARKS

In view of the Office action mailed May 10, 2010, applicants have now cancelled claims 1-19 and 22-25, leaving claims 20 and 21 which the examiner has objected to as depending from rejected base claims. The examiner has indicated that claims 20 and 21 would be allowable if rewritten to include all of the features of their base and intervening claims. To that end, applicants have amended claim 20 to include the features of claims 15 and 16. Further, applicant has amended claim 21 to include the limitations of claims 15, 16, and 17. As amended, claims 20 and 21 recite allowable subject matter. Therefore, applicants request allowance of these claims.

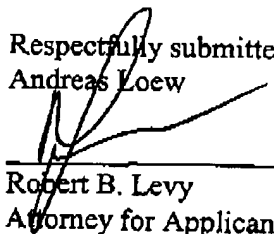

Conclusion

In view of the foregoing, applicants solicit entry of this amendment and allowance of the claims. If the Examiner cannot take such action, the Examiner should contact the applicant's attorney at (609) 734-6820 to arrange a mutually convenient date and time for a telephonic interview.

Please charge the cost of the two month extension of time, and please charge any fee or credit any overpayment to Deposit Account No. 07-0832.

Respectfully submitted,
Andreas Loew
